

The Complete Face: Botox Live Patient Training Course

April 28 & 29 at Wild Dunes Resort

Designed to give you more than any other Botox course available, "The Complete Face", is exactly that – **COMPLETE**. FACES provides the only Botox training that includes both upper and lower face indications plus masseter and temporalis in one class. The Complete Face provides a rich educational program experience that saves you time and money by not requiring multiple levels of training. Reinvigorate your practice by adding Botox treatments with this *Anatomically Based, Academically Rigorous and Scientifically Driven Seminar®*.
